

## **Communiqué to Employers & Registered Training Institutions**

# **Course fees for non-award courses will not be approved by HRDC as from 15 October 2021**

The Human Resource Development Council (HRDC) hereby informs all Employers and Registered Training Institutions that following the amendment brought to the Mauritius Qualifications Authority (MQA) Act via the Finance (Miscellaneous Provisions) Act 2021, whereby the MQA will approve non-award courses with effect from 15 October 2021, the HRDC will stop approving course fees for non-award courses as from **15 October 2021**.

Employers are also informed that as from 15 October 2021, where a course is to be dispensed by a Registered Training Institution solely for one employer, the latter would be required to submit a G1 Grant Application form through the In-House training mode wherein the employer shall provide the detailed cost structure for that course to be acknowledged by the HRDC prior to the start of same.
